## **Community Update – East Berwickshire – PS Ali Granger**

Local Community Officer PC Jacobs and School Link Officer PC Cameron were invited to participate in Splash's 'Stovilicious' event in February at Eyemouth Primary School. This was a great community engagement opportunity where local partners and businesses came together to cook with every single child in the school. Many variations of stovies were made and parents were also invited to attend – well done to Splash for organising this fantastic event and thank you for our invite.

PC Luke Cameron is hoping to attend the next Berwickshire Area Partnership meeting taking place on 20<sup>th</sup> March to provide an insight to his work within the schools.

### **County Lines Intensification week**

As part of our planned intensification week between 4<sup>th</sup> and 11<sup>th</sup> March regarding County Lines, below is a short insight into what it is and signs to help recognise it. There is a hyperlink below should you wish any further information. We strongly encourage all community representatives to be aware of County lines and how to report concerns.

#### What is County lines?

A model of criminal exploitation whereby gangs and organised criminal networks coordinate the supply of illegal drugs, often using vulnerable adults and children. The model of exploiting young people has extended into Scotland - persons are exploited through use of threats, violence and grooming to supply and move drugs across the UK.

#### What is Cuckooing?

Act of taking over a person's home often by exploitation, intimidation or violence. The home then becomes a safe-house to deal drugs and gives the crime group a local base for a number of weeks, before they move onto the next house, which is a tactic to evade Police. Victims are targeted due to
